into the New

In Appreciation

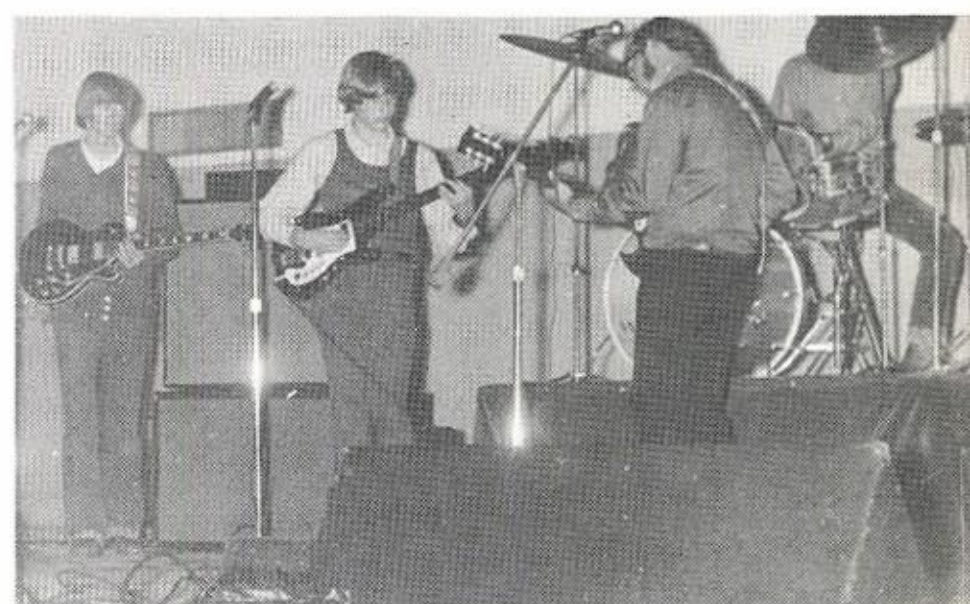

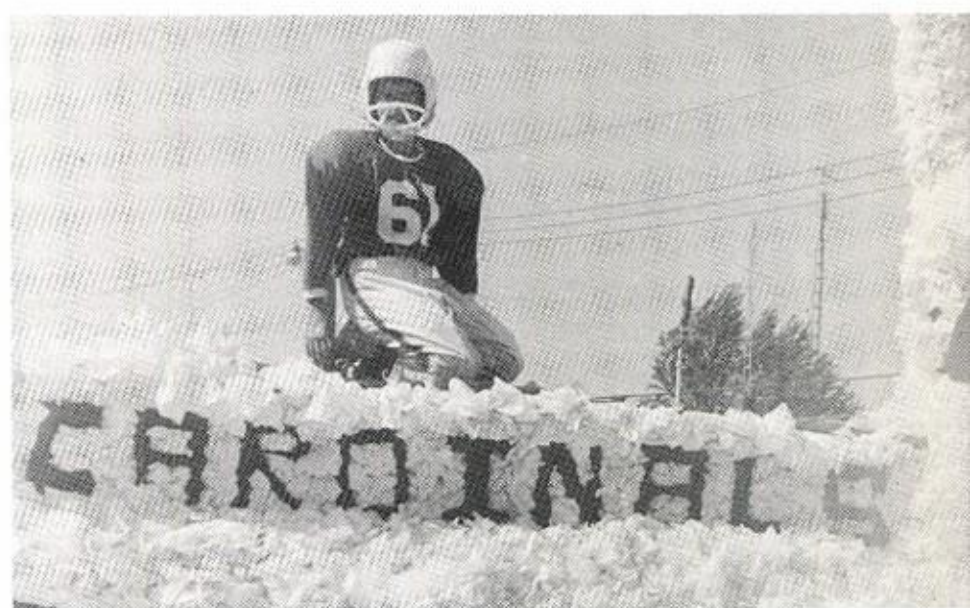

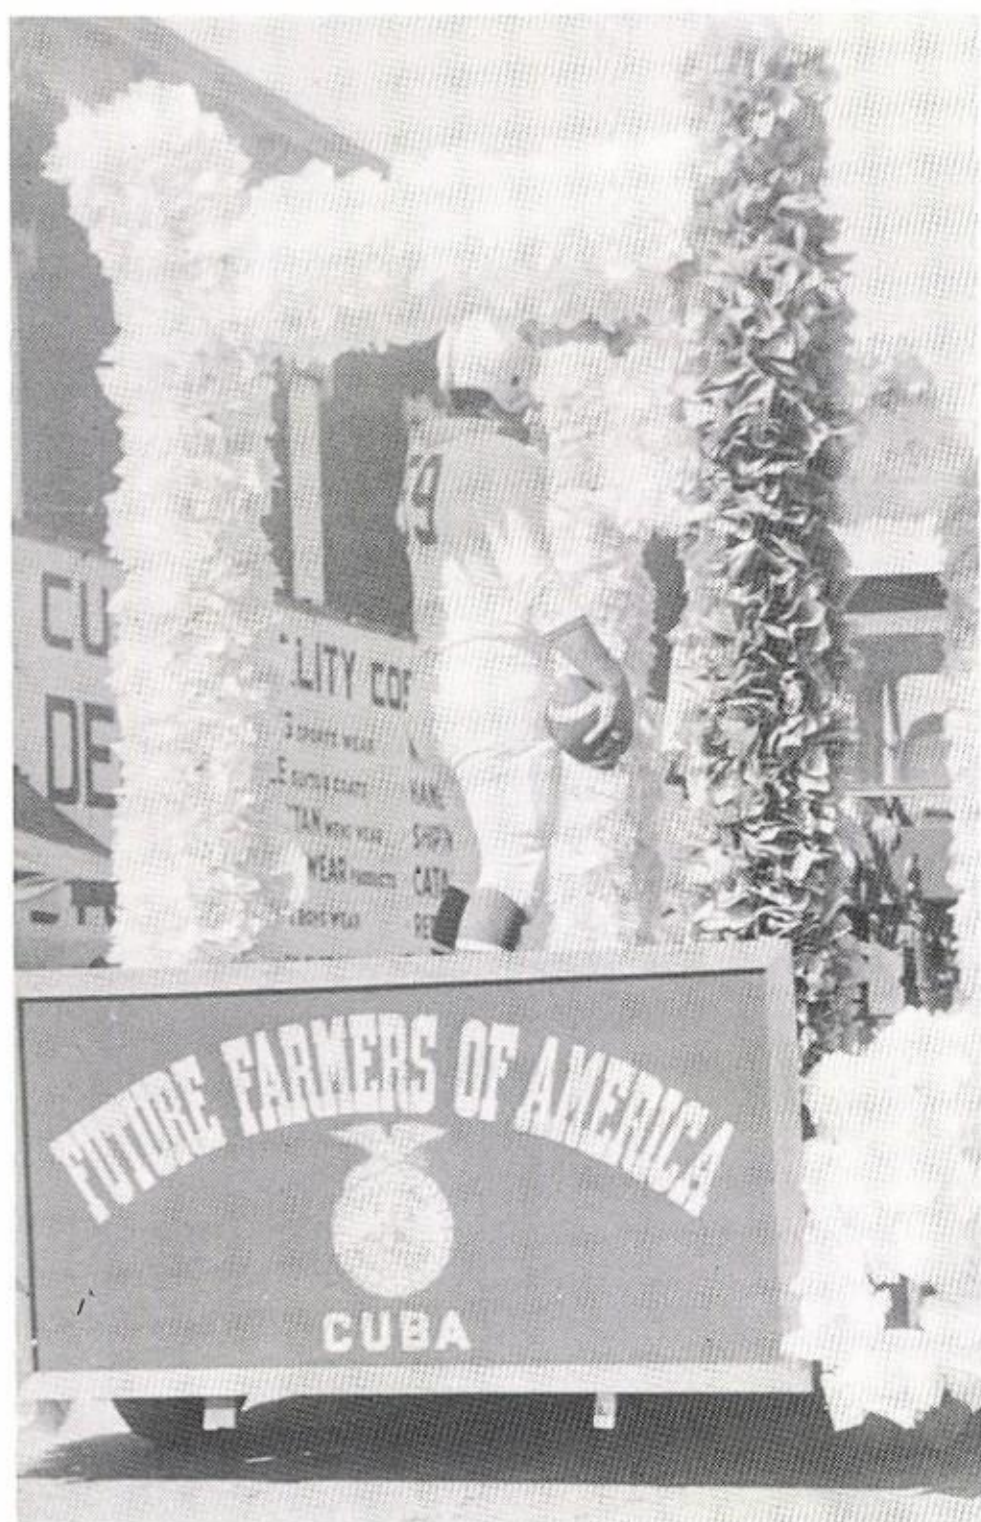

We would like to take this opportunity to express our gratitude to the school board, Eugene McConkey, James Nelmes, Robert Burnham, Dr. Warren Wilner, Edward Tompkins, Sheldon Orwig, Glen Manuel, and Robert Abbott (not shown), for its diligence in completing the mountainous task of building a new school. We also feel that our friends, neighbors, and parents deserve a special thanks, for without them, the taxpayers, it would not have been possible. We, the senior class of 1971, feel privileged to have been first to graduate from CHS's new building.

Flashin' Back on the Homecoming Scene

"Songs" Struck a Happy Note

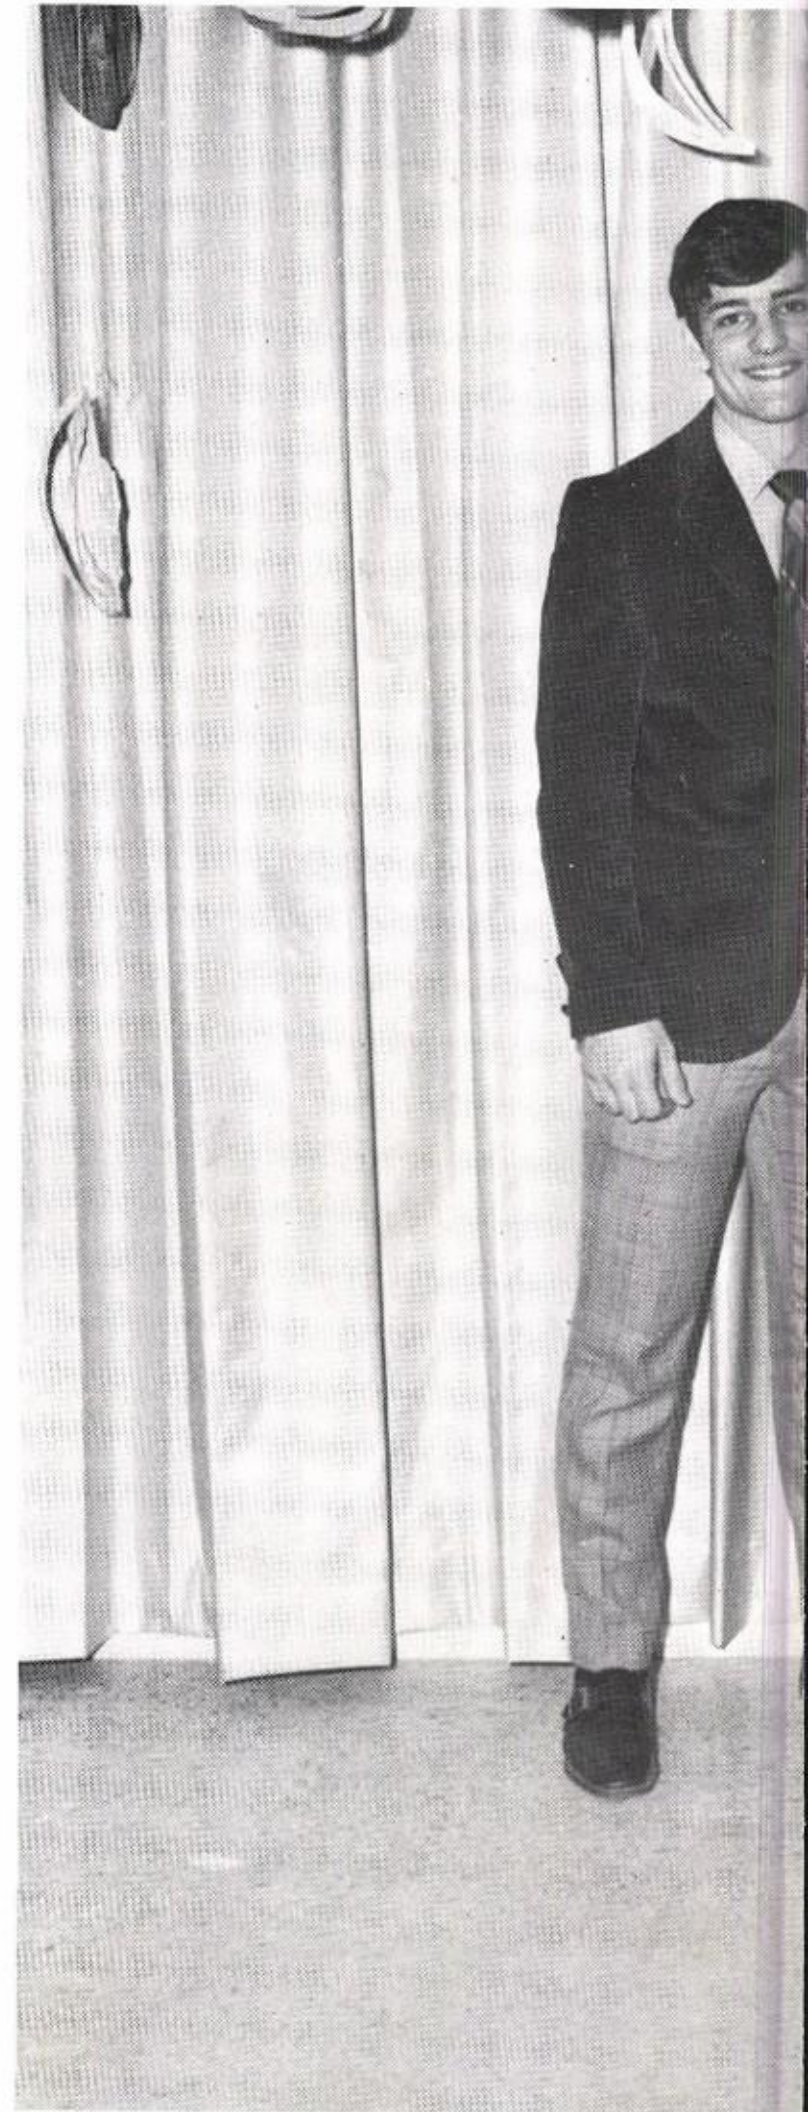

As the week of October 2 rolled around, students of CHS were challenged to build a prize float. At the bonfire, suspense was high as the new King and Queen, Joe Thum and Debbie Fayhee, were announced. Friday afternoon the Sophomores, FFA, and Jr. Women's Club floats captured first prizes. The Student Senate tried something different and had the dance and game on the same night. Though fans were disappointed by defeat at the hands of the Vikings, the atmosphere changed at the dance. It was over too soon, but it will remain a highlight for those who participated.

Couples Drifted Along

The night was promising and hearts were high as young couples arrived in their evening splendor on the warm night of May 1, 1970.

The class will was read by Cathy Klobuchar as couples feasted on a ham dinner, served by the sophomore class.

The action then shifted to a dreamy moonlit night staged in the beautifully designed gym.

At twelve o'clock, the After-Prom activities began, Couples ate, danced, played cards, and enjoyed themselves until the wee hours.

Though the night has long since faded away, it will remain a treasured memory in our lives at C.H.S.

King Bob and Queen Martha posed for a picture.

Sophomores were awe-struck at the many lovely ladies.

Guests at the banquet relaxed after the delicious meal.

'In the Misty Moonlight'

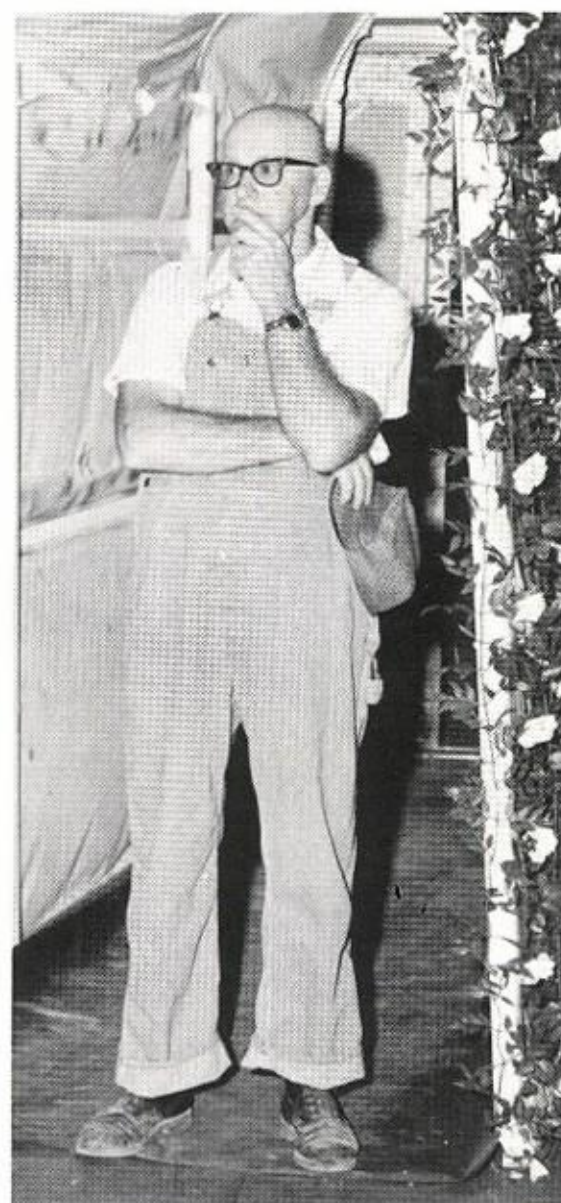

Couples watched as others entered during the Grand March.

Mr. and Mrs. Glore demonstrated their ability on the dance floor.

Vicki and Jim enjoyed the evening.

"I knew I should have polished my shoes."

Prom Goers were delighted by Queen Debbie and King Jim and their royal court.

Prom 1971 Brought

The evening of May 14 was warm and inviting, the perfect setting for a "Love Story". The juniors chose several innovations for prom this year. The dinner was served buffet style in the cafeteria. It lent a touch of the islands to the evening. Music was provided by "The Pure Scotch", who proved to be one of the best groups ever to perform here. The highlight of the formal dance came as Jim Ellis and Debbie Ault were crowned king and queen. They were the perfect choice to end a "Love Story", having been betrothed. After-prom proved to be fun as always, with plenty of food, music, and games. As the first morning light began to appear, couples made their way home, certain that they would not soon forget this fling.

Debbie watched as Bob crowned Jim king.

Prom-goers tried their hands at the variety of buffet foods.

“Love Story” to Life

Debbie and Jim danced the royalty dance to the theme song from “Love Story”.

Couples lined up during the Grand March.

"My Fair Lady" Revealed

The months of preparation for "My Fair Lady" were not in vain, for the outstanding performances April 30 and May 1 proved that a small school could make a success of a musical such as this with cooperation and plenty of ambition. These combined with talent went to make "My Fair Lady" a resounding success.

The directors, cast, crew, and all who donated time or properties deserve much credit for its success.

When the 1970-71 season began Cuba boasted 20 seniors and was looking forward to a victorious season. Cuba's determination and desire placed 7 men on the All-Conference Team. The fans were enthusiastic because the players remained undaunted in their efforts.
